

Barneet Panda

Student (B Tech,CSE)

I am in my final year, pursuing BTech in CSE from KIIT University Bhubaneswar, India. I am an active competitive coder, 3 stars in CodeChef, and solved about 400 problems on Leetcode. Lately started exploring the world of DevOps. I am also a member of our college's Entrepreneurship Cell. I am the director of public and corporate relations. I believe that my communication and problem-solving skills are my biggest strengths.
